WHITEWATER MEMORIAL STATE PARK

Whitewater Memorial State Park was established in 1949 as a living memorial to the men and women who served in World War II. It is the result of a community effort in which Fayette, Franklin, Union and Wayne counties joined together to acquire the initial acreage including wooded rolling hills, steep ridges and ravines in addition to level, open fields and a man-made lake.

The Hornbeam Nature Preserve within the park includes an unusual number of hornbeam and hop hornbeam trees. In spring the forest is covered with a dense carpet of wildflowers.

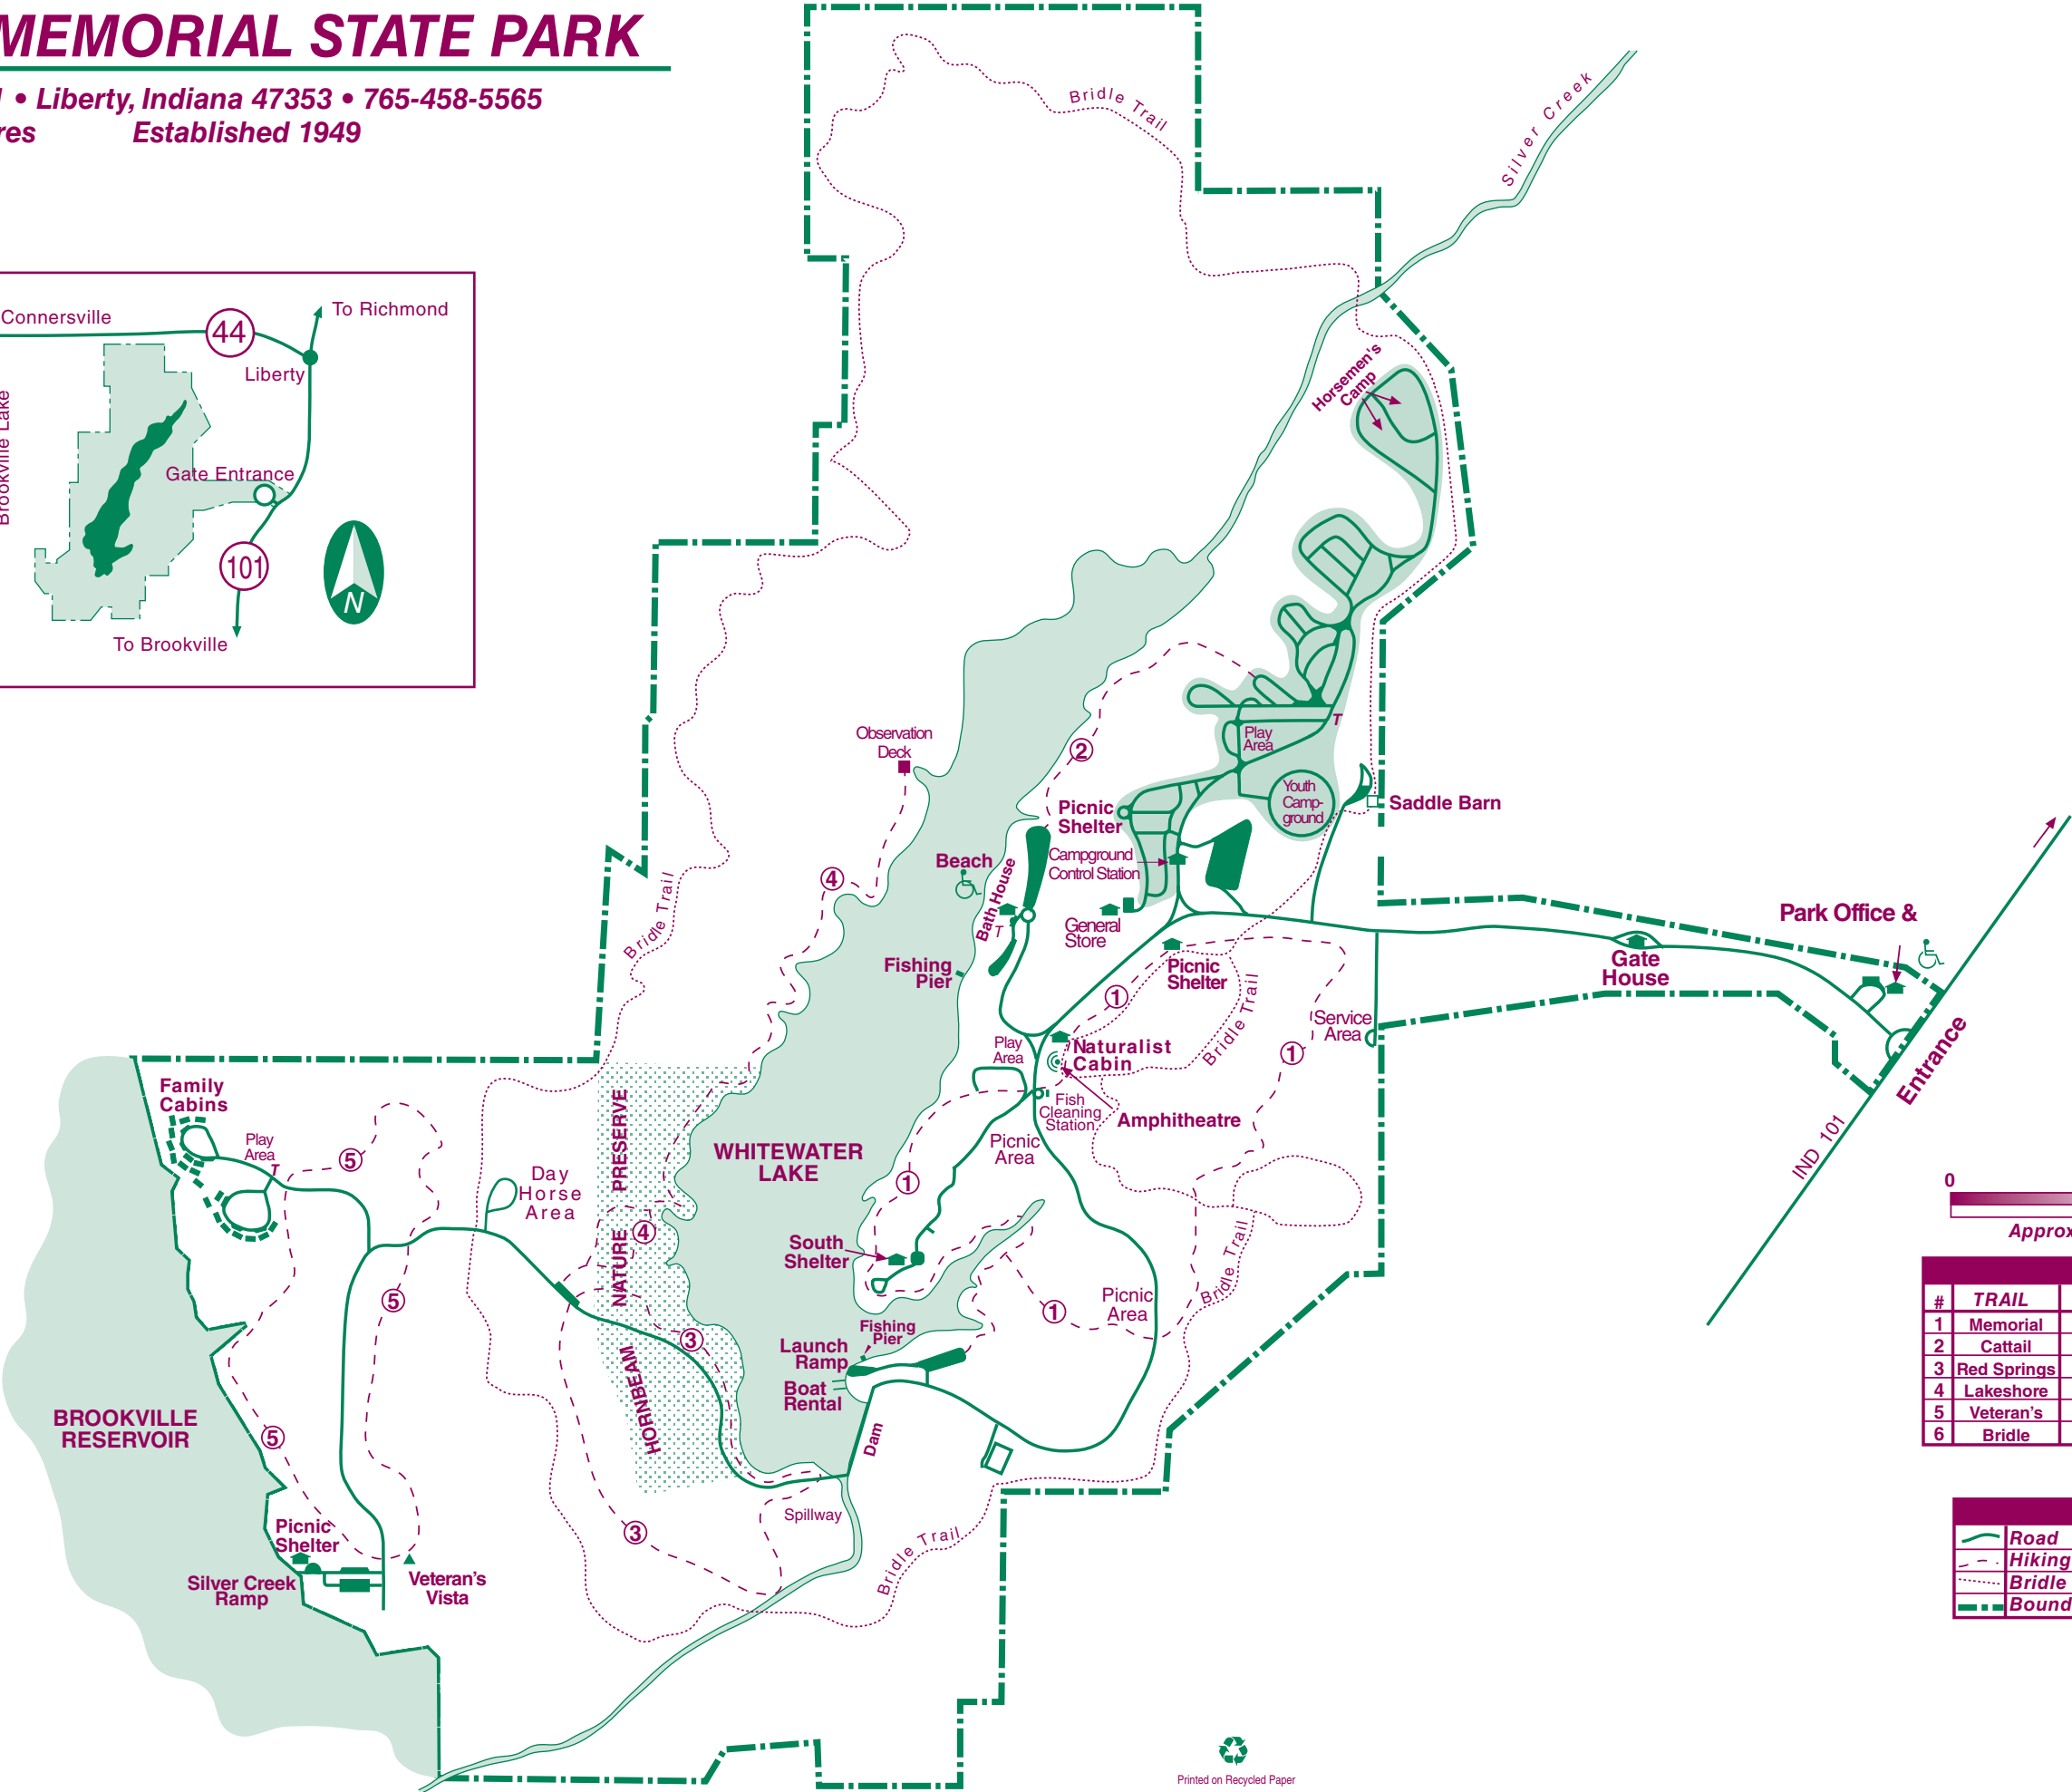

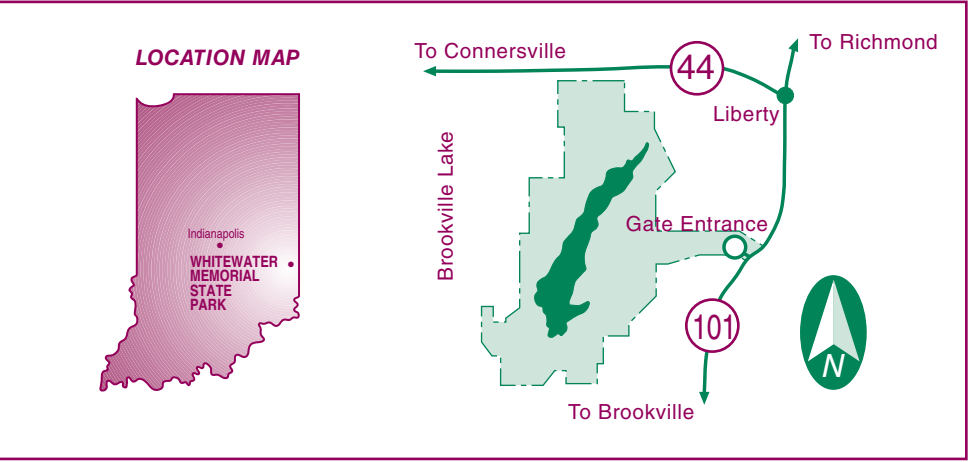

All visitors are expected to observe the following rules which are designed to fulfill the purpose for which state parks were established, namely, to preserve a primitive landscape in its natural condition for the use and enjoyment of the people.

- Do not injure or damage any structure, rock, tree, flower, bird or wild animal within the Park. Do NOT gather limbs, brush or trees (either dead or alive) for firewood! It MUST be allowed to remain to rebuild the natural humus.
- Any firearm (except validly licensed handguns) BB gun, air gun, CO2 gun, bow and arrow, or spear gun in possession in a state park must be unloaded or un-nocked and stored in a case or locked within a vehicle except when participating in an activity authorized by written permit.
- Dogs and cats must be kept on a leash no longer than six feet and attended at all times.
- There shall be no vending or advertising without permission of the Department of Natural Resources.
- Camping is permitted only in the campground. Youth groups must be under adult supervision.
- Fires shall be built only in places provided.
- Please comply with the Carry In/Carry Out trash policy in all day use areas. Overnight guests must put waste in receptacles provided for that purpose.
- Motorists will observe speed limits as posted, and park in designated areas.
- Swimming is limited to such places and times as designated by the Department of Natural Resources.
- Drinking water should be taken only from pumps, hydrants or fountains provided for that purpose. This water is tested regularly for purity.
- Report lost or found articles to the park office.
- All motorized vehicles must remain on paved roadway. Snowmobiles are prohibited.
- Metal detectors allowed on main beach between Labor Day and Memorial Day with written permission from the property manager.
- Park closes from 11:00 PM until 7:00 AM, and no one is allowed in the park, except for fishermen, campers, and cabin guests with a receipt or key using their sites between these hours.

For complete list of rules and regulations inquire at park office.
